First topic of discussion was to approve the minutes of March 1st and April 20th. Commissioner Dorren made the motion to approve said minutes. VP Yasko seconded the motion. Minutes were approved 3-0

Commissioner Dorren brought up the topic of raising more money in the form of Grants for the Cemetery Commission to use for:

Old mausoleum, Repair of stone walls, Turf in North Cemetery, Head stones in North and South Cemeteries (especially our veterans), Roadways that are in disrepair and cameras. It was suggested that Commissioner Dorren initiate a conversation with Heather R. Lemieux, Town Manager since she has had experience in grant writing. VP Yasko also suggested talking to Tanner Cole about the cost of redoing the turf and the shrubs. Motion was passed 3-0.

The topic of a Petroleum Odor at the North Cemetery was discussed. All Local and State Departments have been notified, however, as a Commission it is our responsibility to ensure that the Commission and the Town are protected from future environmental concerns. Ms. Yasko has volunteered to be the point of contact with Chief Sullivan and the DEP. She will report back to the Commission on a regular basis to give us updates on the situation.

Chapter 310-2 of the Cemetery Rules and Regulations were discussed. It was decided to leave all paragraphs in place except for paragraph 3 which would be moved to section 310-1. That paragraph read:
Full and Cremation burials and Columbarium interments on Saturday are \$500.00 for the first 4 hours and \$500.00 for the next 4 hours.

Motion was made to adjourn by Chairperson Tyler and seconded by VP Yasko .
Meeting was Adjourned at 3:50 pm

Respectfully submitted by
David Dorren, Clerk
