The topic of Petroleum smell at the North Cemetery was discussed. VP Nancy Foss-Yasko talked to the Lunenburg Fire Chief. They both still smelled a light scent of Petroleum. They both also saw a dead bird in the drain within the cemetery. The State will pick up the tab this time for the clean-up in the Cemetery and the property where the spill occurred. They considered this case closed but will reopen it again if necessary.

The topic was discussed about writing grants for both the North and South Cemeteries. Clerk David Dorren stated he has spoken to Heather Lemieux, Lunenburg Town Manager regarding the options available to the Cemetery Commission on State or Foundation funding for the Cemetery. Heather stated she would be willing to apply for State Grants for the Cemetery Commission if we get the necessary information to her by September. The Cemetery Commission decided to get the information together for the Town Manager regarding a grant for redoing the turf in the North Cemetery. The Vice-Chair also suggested talking to Tanner Cole regarding the Turf and Shrubs for the cemeteries. Motion was passed 3-0

The first part of the hedges along Holman Street to the first driveway of the North Cemetery was trimmed and cleaned. Depending on the budget for the coming year the hedges will be done from road entrance to road entrance at the North Cemetery.
