New Business/ Present Business

A discussion ensued for historical markers to be placed on historical buildings in the village center district. The Boy Scouts of America have expressed interest in this project.

A request for the demolition of the property at 37 Burrage Street under the six month demolition delay plan, now over two hundred fifty three days, has been received. The house has been sold, but not the barn.

Voted: The demolition request for 37 Burrage Street is approved.

Richard McGrath will visit this property at Burrage Street, and take photographs prior to its demolition.

Demolition Delay Requests have been filed for and do not apply to the following properties:

- 1) 925 Chase Road demolition completed prior to a request for demolition delay review (not submitted to the Historical Commission).
- 2) 675 Reservoir Road 1957
- 3) 9 Electric Avenue 1957
- 4) 70 Oak Ridge Road 1948

The building inspector, Michael Sauvageau, will be notified demolition delay review does not apply to these properties.

Richard McGrath has suggested a tour of the three cemeteries, North, South and Fish Street, would be advisable to determine their present status.
