Tuesday, November 6, 2018

Members Present: (MJ, do you have this list who was there?)

Meeting called to order at 6:36PM by Chair.

Minutes for October 2, 2018 were accepted as presented.

Public comment:

- None

New Business:

- Scheduling activities over vacation breaks - members present discussed whether this was an issue. Most believed students are aware of consequences of not participating, but further discussion moved to next month due to lack of quorum.

Old Business:

- Fundraising
 - Basketball booster club requested approval of fundraising event: Cash calendar over 2 weeks in December (10th-21st). It is not mandatory for any student to participate in sales. Each player is requested to sell 10 calendar spots at \$10 each - if more are sold, there's a money-grab incentive. Family cap is in place and funds will be used for banquet, awards, acknowledgements. Winners will be notified by email. - Approved (quorum achieved at this point)
- Concession Stand
 - Dr. Burnham shared current information about the concession stand and being able to use it. The group discussed making the kitchen like any other kitchen in the school and indicated in doing so, there would be a cost/rental fee and kitchen staff would have to be hired (assumed at \$26/hour). Boosters felt that reasonable and requested Superintendent proceed with gathering information.
- Community Service
 - Currently looking at Sleep in Heavenly Peace. This is an organization that helps build beds for children that do not have beds.
- Admission Fees
 - It was mentioned that these fees are inconsistently collected, however group didn't feel it necessary to discuss further.
